

Art no: 12-9121

CERTIFICATE OF ANALYSIS

Lot no: 302602

Product name:	0.10 M Glycine-HCl, pH 3.0
Production date:	2024-06
Date of release:	2024-07-05
Stability:	2027-06
Form:	White powder
Composition:	Contents of one pouch dissolved in deionized water and made up to 1000 mL yields: 0.10 M Glycine-HCl

Analysis	Specification	Result
Weight	8.4 g \pm 4%	Pass
pH	3.00 \pm 0.05 at 25°C	Pass
Insoluble matter	Passes filter test	Pass

The above material has met all quality specifications and has been reviewed by a quality representative.

Quality Assurance, Asa Engström
