

Product name:	Tris-Borat-EDTA 5x pouch (TBE 5X) pH 8.3, 1000 ml
Production date:	2024-09
Date of release:	2024-10-09
Stability:	2027-09
Form:	White powder
Composition:	Each pouch, 85.12 g dissolved in 1000 ml of water yields:
	0.445 M Tris-Borate
	0.01 M EDTA

Analysis	Specification	Result
Weight	85.12 g \pm 0.5 g	Pass
pH	8.30 \pm 0.15 at 25°C (1X solution)	Pass
Insoluble matter	Passes filter test	Pass
DNase/RNase activity	No detectable DNase/RNase activity	Pass

The above material has met all quality specifications and has been reviewed by a quality representative.
